1967 Rambler

**Galesburg-Augusta
High School
Galesburg, Michigan**

F o r e w o r d

Have you ever tried to imagine how many hours your hands spend working toward your diploma? Well, we have, and we found that the hours are many and the variety of activities is great.

Can you ever forget the tiring hours of typing term papers or the many kleenex you stuffed and folded into those miles of chicken wire for the Homecoming floats? Or how about those fifty strokes a day in Dr. Breneman's soap test? We can even remember the tons of snow shoveled in the Big Snow Storm of 1967, and the days spent in preparation for the annual A.F.S. Fair. Our football team's hands brought us to the State Championship title by carrying that ball over for many touchdowns. The team's hands also wasted no time in grabbing the basketball tournament trophy during Christmas vacation.

Most of all, we will always remember the hands of friendship and guidance which have followed us through the years. Our parting thought is that each class after us will seek new knowledge and attain greater goals.

To the Members of the Graduating Class of 1967:

As you face the end of your high school career, I hope you will remember all the people that extended a helping hand to you during the last thirteen years. This help can best be repaid by doing your best in whatever endeavor you may choose for your life's work. Then, as you go through life, you will have many opportunities to lend a helping hand to others who are on their way through school.

MRS. WHEATON,

To the Class of 1967:

My congratulations to each of you as you complete your high school education at Galesburg-Augusta. It has been a pleasure and privilege to work with you during this school year.

The Class of 1967 is stepping into an unbelievably exciting, but also a new kind of world. This new world will demand a new kind of person . . . a person with genuine flexibility and freedom, a person who thrives on sensing and solving problems as complex and subtle and new as the technological environment of tomorrow. No one really knows what tomorrow will bring; we do know developments will be rapid and changes so cataclysmic, that only the sharpest and most sensitive will survive and flourish.

May God be with you as you step into the challenge of tomorrow's world and guide your hands and heart.

Sincerely,
Kenneth W. Ward, Principal

VALEDICTORIAN — Elizabeth Ann Wagar holds the highest honor of a graduating class, that of being valedictorian. She has maintained a 4.0 average, a perfect record, throughout her high school years. National Honor Society

Founded in 1921, the National Honor Society has now over 5000 chapters in the United States. It is organized as a branch of the National Association of Secondary Principals, and over the years election to this group has come to represent a very distinguished honor. Students are chosen upon the basis of four attributes: Character, Leadership, Service and Scholarship.

The committee is pleased to announce that the following members have been elected for the year 1966-67, left to right: Connie Flook, Beth Underwood, Jackie Adams, Sallie VanAvery, Robert Reck, Elizabeth Wagar, Mr. Burrell (sponsor), Harriet Roelof, Steve Bower, Linda VanDyke, Roger Maxson, Linda Zahn, Nancy Maile.

The Daughters of the American Revolution was founded in 1890. It is composed of women who are descendants of any ancestor who "with unfailing loyalty rendered material aid to the cause of independence as a recognized patriot". The object of the organization is to maintain institutions of American freedom.

With Roger Maxson serving his second year as president, the Student Council has carried on its many activities of recent years. In addition, it has purchased a permanent trophy, designating the Galesburg-Augusta football team the Class C champions in the state since the one awarded by the Associated Press is a traveling trophy. Pennants for the new schools in KVA, Springfield and Fennville, have been provided to hang in the gym. Five fine assembly programs have been presented under Student Council Sponsorship. Mr. Ward is advisor to the group.

Galesburg-Augusta No. 1 In Michigan

Rams' Mark Of 8-0 Leads C-D Ratings

South Haven Ties For Fourth Place

Galesburg-Augusta winner of nine straight games this season, today was crowned Class C-D state prep football champion in the final Associated Press poll of sports writers.

The Rams of coach Bill Maskill join Class A Battle Creek Central and Class B Saginaw and Buena Vista as 1966 state high school football titlists.

Coach Bill Maskill's Galesburg-Augusta team also reigned as state Class C-D champion in 1962, when it posted a perfect 10 record.

Galesburg-Augusta has compiled a remarkable record since Maskill took over as football coach in 1957.

The Rams lost all eight games in Maskill's first year, but they were 7-1 the following season and 8-1 a year later. Since the winless 1957 campaign, Galesburg-Augusta has compiled a 65-record under Maskill.

Galesburg-Augusta earlier this season won the Kalamazoo Valley Association and Gazette area rating championships.

A football squad that five years ago — as an undefeated eighth grade unit — made a vow that it would claim the state football championship in high school competition is honored by the Rambler for achieving that goal. Our undefeated Rams won nine straight games while rolling to the title.

The next best thing to a Fulbright

The most difficult problem the majority of students encounter in their education is not academic. It's financial! More and more students need financial assistance to help counter the rising costs of an education.

Since an education is essential to your future, don't be left out. Instead, drop in at First National and let's talk about financing your education with a low-rate bank loan. First National offers terms to best help each student with his or her studies. It's really the next best thing to a Fulbright Scholarship!
